Such Owner shall cooperate with Subdivider in obtaining a transfer of any soil erosion control NPDES, CSR or other governmental permit with respect to soil erosion, wetland and other environmental laws, to such Owner or the cancellation or other termination of the permit currently in the name of Subdivider or its affiliate, and the reissuance of a permit in the name of such Owner. At any time required by Subdivider, any party accepting a Deed for any lot or part thereof shall execute the appropriate documentation required by the Iowa Department of Natural Resources, the City of North Liberty, Iowa, or other governmental body to release Subdivider from responsibility for executing a soil erosion plan (including monitoring and record keeping) as it applies to the lot for the period of time after the delivery of a Deed for such lot, and to release Subdivider from any other obligation for environmental matters for the period of time after delivery of a Deed. Any party that accepts a Deed for any lot or part thereof who fails to cooperate with Subdivider, fails to execute documentation to relieve Subdivider from responsibility for soil erosion or fails to comply with the lawful requirements for control of soil erosion shall be obligated to hold Subdivider harmless from all liability, costs and expense, including reasonable attorney fees, arising from such failure by such party.

12. Subdivider may, at any time prior to the time at which Subdivider no longer owns any of the real estate, subject additional property which is contiguous to the real estate to these Protective Covenants and Restrictions by written instrument filed in the records of Johnson County, Iowa.

13. Except for the terms and provisions of Paragraph 10 above which can only be unilaterally amended by Arlington Development, Inc. or its designate, these Restrictive Covenants may be amended from time to time with the written consent of the owners of at least two-thirds (66.67%) of the lots located within those parts of Arlington Ridge subdivision that have been final platted. Said amendment shall be executed in writing and signed by the owners of at least two-thirds (66.67%) of the lots within the platted parts of Arlington Ridge subdivision and the same shall be filed of record in the office of the Johnson County Recorder.
